

Dear Sam,

Hope you are well! Guess what! It is Easter time now and I want you to come and celebrate with me.

Easter time is special in my family.

My sister and I paint eggs with our favorite colors and put them in a basket. My father makes beautiful baskets. My mother prepares cookies in the shape of bunnies and eggs. She decorates the table with daffodils and chicks around it.

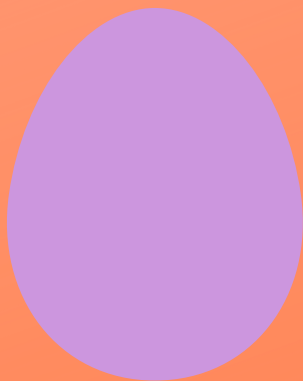

The best part is the game of Easter game hunt. My dad hides eggs in the garden and we try to find them, It is fun!

Hope you will come!

Love SEAN.

PS. I have a beautiful surprise for you 😊
